BRIDGING BRUINS INTERN EXIT SURVEY

All internship students are required to complete an exit survey in which they assess their internship and degree of learning. This activity affords the opportunity to reflect on your experiences and to analyze your performance and professional development. The completed exit survey should be submitted as part of your culminating presentation.

STUDENT NAME (PRINT)_____ STUDENT ID#_____

NAME OF INTERNSHIP ORGANIZATION_____

Using the scale provided, respond to the following statements about your internship experience

		Strongly Disagree	Disagree	Agree	Strongly Agree
1	I was provided with access and insight into a variety of important and useful professional situations and activities that contributed to my learning				
2	I was provided levels of responsibility consistent with my ability and was given additional responsibility as my experience increased				
3	I felt like an integral and valued part of the work environment				
4	I was able to effectively apply classroom knowledge to the internship setting				
5	My on-site supervisor provided regular assistance and was willing to answer my questions about the work setting and my specific tasks				
6	I clarified my academic and career goals by participating in this internship				
7	My faculty mentor supported my learning goals and objectives				
8	The organization invited me to provide feedback and input on the work in which I was engaged				
9	I would recommend the Bridging Bruins program to other Lake Braddock students				
10	This internship experience will be of help to me in pursuing academic and professional opportunities after high school				

Respond to both questions:

1) To what degree, if any, did the actual internship experience differ from your expectations?_____

_____

_____

2) What recommendations do you have to improve the Bridging Bruins internship program?_____

_____

_____
