# HONORS Classes

All Honors classes: English 7 Honors, History 7 Honors, Science 7 Honors and Math 7 HN are **OPEN ENROLLMENT**. Any general education student can choose to take it.

The process of academic advising is designed to ensure your student has the right balance of rigor and support.

# HONORS Classes

## ENGLISH, HISTORY & SCIENCE HONORS:

- Essential **and** supporting standards are covered resulting in a faster pace
- There is increased reading and writing
- Students are expected to produce work that requires critical thinking skills
- Frequent extension and application activities will be required
- Mastery of content assessed through writing, application of concepts and generalization of material through a variety of formats

# Math

EVERYONE IS A MATH PERSON!

At Lake Braddock every student can be a good math student - The key is to find the right math class for your student.

Math 7 - grade level math

Math 7 & Power Math 7 - daily grade level math

Math 7 & ARI 7 - daily math class to prepare for Algebra or Algebra HN in 8th grade

Math 7 HN - Pre-Algebra (Math 8) with extensions

Algebra 1 HN - High School credit Algebra with extensions

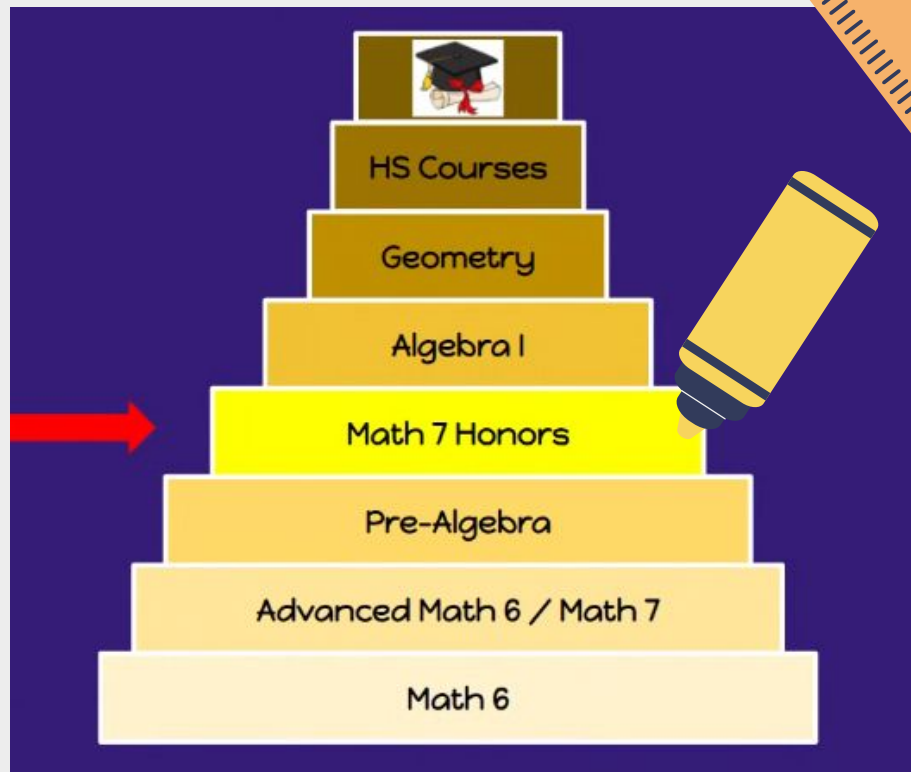

# Let's Talk Math 7 Honors

Math 7 Honors requires pre-algebra skills in order to be successful

Math 7 Honors students take the Math 8 SOL test

Very strong Math 6 students benefit from Math 7 & ARI 7 followed by Algebra 1 in 8th grade.

- *Enrollment in Algebra I Honors will be determined in the spring/summer*
