Our Vision and Mission

Lake Braddock Secondary School prepares all Bruins to be CONNECTED, ADAPTABLE, RESILIENT, and ENGAGED LEARNERS by developing students' KNOWLEDGE and SKILLS through authentic teaching and learning experiences with a focus on rigor, curiosity, Portrait of a Graduate, and transfer of skills. And by developing students' UNDERSTANDING OF SELF & COMMUNITY with a focus on responsibility, service, empathy, social-emotional learning, equity, and inclusion. This will be accomplished through VOICE, CHOICE, AND INNOVATIVE APPROACHES to ensure all our Bruins thrive in a dynamic world.

Curriculum

Lake Braddock serves the educational needs of a broad spectrum of students including those with learning disabilities, second language learners, and intellectually disabled students. LBSS also offers a variety of challenging and specialized academic programs that enrich the standard Fairfax County Public Schools curriculum offerings. The middle school has a Gifted & Talented Center. The high school has an open enrollment policy, which is designed to encourage students to participate in the extensive Honors (40 courses offered), Advanced Placement programs (32 courses offered), and Dual Enrollment (12 courses offered).

Fairfax County Public Schools

Engage • Inspire • Thrive

At a Glance

FCPS is one of the largest school divisions in the nation with more than 182,000 students attending 199 schools and centers. FCPS students and their families come from nearly every country around the world and speak more than 200 different languages. During the 2023-24 school year, approximately 36.1 percent of FCPS students identified themselves as White; 28.7 percent Hispanic; 18.7 percent Asian; 9.8 percent Black, and 6.3 percent identified as multi-racial or other. More than 38,000 FCPS students are multilingual learners. Approximately 30,000 receive special education services. Nearly 64,000 FCPS students are eligible for the Federal Free and Reduced-Price Meals Program (FRM). FCPS is located in Fairfax County, Virginia, the most populous jurisdiction in Virginia and the metropolitan Washington, D.C. area, with more than one million residents.

FCPS Academy Programs

Six high school academies offer technical and specialized courses not found at all high schools. Career and Technical Education (CTE), fine arts, and world languages courses are accessed by students from all high schools. CTE courses offer numerous credentialing opportunities for students who pass industry certification exams.

FCPS Grading Scale

Grade point average (GPA) is calculated on the basis of all high school courses for which credit has been earned, attempted, and previously awarded. High school courses taken in middle school may be expunged from the high school transcript. The parent or guardian must submit expungement requests within nine weeks of his and/or her child entering an FCPS high school.

A (93-100) = 4.0	B- (80-82) = 2.7	D+ (67-69) = 1.3	P: Pass	T: Audit (No Credit)
A- (90-92) = 3.7	C+ (77-79) = 2.3	D (63-66) = 1.0	WP: Withdrawal Pass	
B+ (87-89) = 3.3	C (73-76) = 2.0	D- (60-62) = 0.7	WF: Withdrawal Fail	
B (83-86) = 3.0	C- (70-72) = 1.7	F (50-59) = 0.0	NM: No Mark (No Credit)	

The FCPS grading scale was updated for the 2024-25 school year to introduce a D- mark. Prior to this, the grading scale used a D with a percent grade of 64-66 and an F with a percent grade of 50-63.

Grading Policy Changes Affecting the 2020-21 School Year

To provide increased flexibility to students and ensure they were not penalized by the challenges of distance learning, FCPS made the following changes to the high school grading policy for the 2020-21 school year only. These changes were announced in March of 2021. They included: Use of No Mark (NM) instead of F grades for all courses. No credit was awarded, and the course was not factored into the student's grade point average (GPA). Students/families could choose a mark of "P" (pass) instead of passing letter grades as their final mark in up to two current high school courses. Students had the opportunity to choose this through fourth quarter. This flexibility is in addition to the allowances for designating courses as pass/fail at the beginning of the school year. Therefore, a student's transcript may include more marks of "P" than typically seen on an FCPS transcript. Additional information can be found on the Secondary Grading and Reporting website at <https://www.fcps.edu/academics/grading-and-reporting/secondary>.

Additional Weighting for Advanced Academic Courses

All Honors (HN) courses are weighted with an additional 0.5 quality points. Courses denoted as Advanced Placement (AP), Advanced (AV), Dual Enrollment (DE), or International Baccalaureate (IB) are weighted with an additional 1.0 quality points.

Student Ranking Policy and Graduation Requirements

FCPS high schools do not rank students. FCPS graduation requirements align to those of the Virginia Board of Education and may be found at the link below: <https://www.fcps.edu/academics/graduation-requirements-and-course-planning>
