August, 2023

Welcome to Bruin Nation,

My name is Jerald Minnis, and I am the After-School Specialist at Lake Braddock Secondary School. The purpose of this letter is to introduce you and your child to the After-School Program at Lake Braddock. Our goal is to provide quality programming in the areas of academic support and enrichment, social skills and youth development, physical health and wellness, and family and community involvement.

After school activities will officially begin in mid-September and will operate every day from 3:00 PM-4:30 PM. Transportation will be available to students staying after school. Late buses will begin arriving around 4:30 PM on Monday, Tuesday, Wednesday, and Thursday. On Fridays, students will need to arrange transportation or walk home as there are no late buses on these days. The Transportation Office will provide a late bus schedule detailing pick up and drop off locations and times in early September; the schedule will be posted in Schoology, Teachers' classrooms, and After-School staff will be directing students to their bus as well. **Please be aware that after school late bus numbers and routes are different from your child's normal school day bus routes.**

This year, we will offer a diverse range of clubs and activities including Jazz band, Zumba, Library, Drama, Digital Art, Cross Country, Track and Field, Video game club, STEM, Crochet, Chill Zone and many more.

Please feel free to contact me anytime at jjminnis1@fcps.edu if you have any questions, comments, or concerns. I look forward to having a wonderful school year.

Sincerely,

Jerald Minnis
