NOVA Early Online College – Spring 2025 Semester

NOVA’s Early Online College is back for the Spring 2025 Semester!

NOVA Early Online College (EOC) allows current high school juniors and seniors the opportunity to take up to 2 tuition free college courses. 14 different courses are being offered in the Spring 2025 semester. Courses are asynchronous, online, and for college credit only. These courses run for 12 weeks. EOC courses are selected because they meet the requirements for most of NOVA’s Associate degrees as well as being highly transferable as general education requirements for most colleges and universities. Students must meet eligibility requirements (GPA or available test scores) to take EOC courses.

New Textbook Policy: Some EOC courses require a textbook. Students will be automatically enrolled in NOVA ALL ACCESS (\$22.50 per credit hour). Students may make the payment for course materials in their myNOVA account or opt out and purchase the course materials on their own. [Review details about NOVA All Access](#) so students can make an informed decision. [NOVA Site - Early Online College InformationFlyer](#)
