(GIVE) Growth and Inspiration through Volunteering and Education Youth

GIVE Tutoring is a student run non-profit organization that provides free tutoring for elementary school students. Students are tutored by high school volunteers on the weekends during the school year. We have 20+ locations in the Northern Virginia area, including one at Burke Centre Library. Last year we had conducted tutoring virtually and now are proceeding with in-person sessions with COVID-19 precautions in place which includes: requiring masks regardless of vaccination status, socially distancing, sanitization, and monitoring of all students and tutors in addition to any future recommendations from the CDC.

Students may apply to tutor at giveyouth.org or email burke.centre@giveyouth.org.
