STUDENT NEWS

Apply Now for the AGC Education & Research Foundation Workforce Development Scholarship!

Opportunity Alert: Students and Professionals Can Apply Now for the AGC Education & Research Foundation Workforce Development Scholarship! Applications due by June 1

Are you a student or professional passionate about technical skills and seeking support to kickstart your career in construction? The AGC Education and Research Foundation is here to empower your journey with our Workforce Development Scholarship. Here's your chance to seize a \$1,000 (renewable for two years) scholarship towards your education in accredited technical schools or craft training programs.

The AGC Foundation is dedicated to bridging the gap between education and industry by equipping students with the essential technical skills demanded by the commercial construction sector. This scholarship initiative reflects our commitment to nurturing talent and fostering the next generation of skilled professionals in construction.

AI Summer Program Taught by Stanford Alumni

[Inspirit AI](#) is offering an in-person, 30-hour pre-college AI program at Thomas Jefferson that teaches students in grades 8-12 fundamental AI concepts and guides them to build socially impactful projects such as safe ChatGPT bots, exoplanet search, self-driving car systems, and more! Stanford and MIT graduates in AI will be present in person from July 15-26 to teach. Please read more information in the [program brochure](#) and [apply here](#). If you cannot attend in person, students may apply to the [live online program](#). Program contact: Jared Greene, jaredgreene@inspiritai.com.

Apprenticeship 101

This rigorous program prepares you for ACE apprenticeship classes in Electrical, HVAC, and Plumbing as well as entry level positions on project sites. Learn the basics in safety, hand and power tools, construction math, material handling, construction drawings, and employability skills. For more information, contact educationalcounseling@fcps.edu or visit website <http://aceclasses.fcps.edu/>

E Summer Program at NOVA

The [E-Summer Program at NOVA](#) is sponsored by the Hispanic Association of Colleges & Universities (HACU) and Dominion Energy. This program is designed to introduce students to STEM and the energy industry and is targeted to Hispanic and underrepresented minority students! Rising juniors and seniors that meet qualifying GPA or test score requirements may apply. Students will be offered two courses at no cost: CSC 221: Introduction to Problem Solving and Programming (3cr) and SDV 100: College Success Skills (1cr), earning four college credits over the six-week program. Students must take both courses. For more information about the E-Summer Program @ NOVA, please email Katie Aimone at dualenrollment@nvcc.edu.
