

August 2022

Dear Parent/Guardian of a High School Student,

Prior to the start of school, students will have an opportunity to pick up their class schedules during Bruin Blast on Thursday, August 18th from 1:00 PM – 3:00 PM. Student schedules will also be available through your SIS ParentVue and StudentVue accounts starting on August 18th at 6:30 AM.

On the first day of school your son/daughter should report to his/her first block class. First period teachers will distribute purple student schedules to each student. **Students must pick up a PURPLE schedule on Monday, August 22nd to ensure accurate enrollment.** Students who are unable to pick up their class schedules during Bruin Blast and cannot access the schedule through their SIS StudentVue account will find alphabetical student lists with the name and room number of their first period teacher posted outside the main office (door 1) and HS Student Services. Staff will be in the hallways to direct students to their first period class as needed.

As we have communicated previously, instructional staff has been hired and assigned to classes based on students' course selections. Therefore, student requests for course change will be made only to correct errors. Please advise your son/daughter to come to High School Student Services on the first day of school, between periods, only if:

- ❖ He/she does not have a full schedule of classes.
- ❖ He/she is missing a core class required for graduation.
- ❖ He/she did not complete the prerequisite for the course.
- ❖ He/she previously passed the course or passed it in summer school.

These will be the only schedule changes that will be made after August 22nd.

We look forward to seeing your son/daughter on the first day of school!

Sincerely,

Anne C. Polino
High School Director of Student Services
Lake Braddock Secondary School
